広い敷地に車両がずらりと並んでいる様子は見応えがあります。初めて間近で見た本人は迫力に圧倒されながらも、目を輝かせて感嘆の声をあげていました。青い空とマルーンカラーのコントラストが美しい風景です。

Trains lined up in rows on the large site are indeed powerful. My son, the artist of this picture, saw the sight up close for the first time. He looked overwhelmed, but he oohed and aahed with his eyes shining. The contrast between the blue of the sky and the maroon of the trains created a beautiful scene.
